THE CONCEPT OF COMMITMENTS IS TO COLLECT AND SHARE ART CONTEMPORARY PIECES AT SAINTE CROIX MUSEUM POITIERS-----

The exhibition runs until 23th August and gathers 22 collectors exhibitors.

The idea is to collect and share in a spirit of commitment passionate of art contemporary, the time of an exposure.

By committing alongside visual artists, often little known or becoming the some contemporary art collectors have made their "private passion" a real sense of life. An approach where transmission and sharing make sense as evidenced by the exhibition organised in partnership with the Association Arcen (European Network Art Collection).

This exhibition has received the label "exhibition of national interest", awarded by the Ministry of Culture and Communication, which annually recognises the museums of France that implement a remarkable exhibition project by its scientific quality, its efforts in cultural mediation and its openness to a broad audience.
